Confirmed CEREC Trainer of GPA Dental Services

Dear David,

We're proud that GPA Dental Services is successful applying SIRONA CEREC 3D for years and conducting high quality trainings for Fondaco Ltd.

Dr. Wilson Goh and further members of GPA named Dr. Merry-Anne Eng and Dr. Ong Teng Sin participated in trainings of ISCD (International Society of Computerized Dentistry) and therefore are listed as official CEREC trainers and members of ISCD.

i.V. Peter Rössling
