CEREC AC reference site Singapore

Dear GPA Team,

We're proud that GPA Dental Services is successful applying the new SIRONA CEREC AC acquisition unit. Again, GPA is leader in applying state of the art technology, at first. Therefore GPA Dental Services is CEREC AC reference site for SIRONA in Singapore.

We'd like to thank Dr. Wilson Goh and his team for their continuous support.

Sincerely,

Sirona Dental Systems GmbH
Fabrikstr. 31 / 64625 Bensheim
Germany
